There are areas on the crew seat i.e.; pockets and straps that are req=ired to be on the seat and can not be made of sheepskin. See photos attach=d.

The bottom and back clos= out panels also require a leather/fabric to adhere the velcro to the cush=on and seat frame.

We could use a white lea=her to coordinate with sheepskin so it's discrete in those areas.

I look forward to your f=edback.

Good Morning Jeffrey,

As per your request of coordinating the pilot and copilot sheepskin color to divan fabric.

Attached are two color options; Camel and Putty.

Do you have a preference?
