Rich – I did bring =t up to Mr. Epstein one morning in the Kitchen during breakfast and he =aid lets try it. It would be a good starting point for Jim as a =onsultant. Jim can give us some feed back on his thoughts in several =reas like Grass, Ground cover, irrigation, starting nursery and =ertilizer. Jim can also help with Creating student internship =rogram.

He is very good at these =hings. Before going further I can talk with Mr. Epstein when his back =n the island.
