Jeffrey,

Spoke to the mill- should you not like=either carpet sample that is being produced for you overseas, we still hav= time to make the same carpet as is in the GIV (same mill, same color, same everything).

Working with Eileen and Jay on the new=y styled divan end arms (like Hermes photo).

Larry wrote me an e-mail last night wh=ch included concern about the schedule. I responded to him promptly =his morning in an e-mail.

We can't keep adding items and=get these items accomplished for the July 31st estimated delive=y date. We need to stop of the wheel and prioritize the additional work requested to see how much we may be able to accomplish=in the original down time.

For the sake of specifically understan=ing your new request from yesterday ("i-Pod cover for cup holders=E2), what do you envision or desire?

Lastly, I will be in your plane in a l=ttle while going over details on the end arms and will be further discussi=g the fwd cabin pocket door to make sure that we can cover both pieces in leather as per our last conversation.

Best Regards,

Eric
