Subject: Re: Nigeria

Dear Jide =I agree we should meet but for our meeting to be fruitful please give some =nformation in your proposal we are willing to sign an NDA agreement with y=u. =Background of Dpworld/Nigeria =We have been many times to Nigeria from 2005 till 2018 1-met the previous two presidents at their invitation =2-met the current Lagos Governor at his invitation.

3-Met a private t port owner in Lagos discussed acquisition/ joint venture =t didn't work as he insisted that we pay his dividends in dollars while =ur earnings in Nigerian Nira !!

4- January 2018 met transport minister who was overwhelmed with my present=ation but he offered we build an industrial park in Lekki since Port is alr=ady given to a consortium of an indian developer/ Chinese contractor and c=a French shipping company to mange I declined the offer as there is no benefit for us to create an industrial =one to produce cargo for someone's else port.

At Dpworld I made a decision that unless we get what a compelling offer we =tay away from Nigeria until such a time.

The only way we will invest in Nigeria :

1-As a green field in Badagry which had good infrastructure

2- a brown field port in Lagos area either acquire an existing terminal .

I am in dubai till end if this month =But it's meaningless to meet without the information on what is proposed =o I can study and correspond with you our precise interest .

Yours

Sultan =
