Part of my responsibility of trustee is negotiating divorces. you see when you have too much money, fighting with the family comes next. it is the mom. brothers at brothers. wives at husbands, they all follow virtually the same track. that's why I try to explain early to entrepreneurs, not to want too much money. most look at me like I'm crazy. as if there were no such thing. I hope your vacation is going well. If not this time, I will again be in Europe in September. hope to catch up.

thanks a lot for your help. though like you, it's not my battle.
