Jeffre=, I've got some additional ideas. What do you think? Do you like any o= them?

1. I think your story is worth doing a movie about you. I know a d=rector who might do a good job making a film about you

He is bright and will do a good job to show the side of you that=hasn't been seen. It'll be scenario, actors and other things - I think it's=fun

Another option is a documentary. Again I have a good director f=r it <http://putinskissmovie.co/> <<http://putinskissmovie.com/>> . She's done film about me and Putin. Her main value that she's got of=awards for that and I can manage her.

I also have a director who's been w=rking for Vice, Mark Allen who can do good job and create narrative that is=needed for your right positioning. Documentary would mean that camera will f=llow you in real life for a period of time.

Want to meet any of these directors? If I chose it'll be Christian be=use he has the most unique vision, smart and lives very pure life, I=trust him a lot and can motivate him to do great work

=span style="background-color: rgba(255, 255, 255, 0);">2. Why don't you m=ke an Epstein Prize science you're already supporting scientists. Would be a= annual award. You can have it for emerging scientists and it'll be a diffe=ntiator. If you make it bigger than Nobel Prize and support with the ceremon=y where you'll invite celebrities from different areas.  
<=pan style="background-color: rgba(255, 255, 255, 0);">

There are no Am=ricans doing anything like that. Breakthrough award's awareness is growing b=t I'm concerned that they do amazing job selecting scientists. Such award c=n make your name famous for finding 'hidden gems' in scientific world. It f=els like with your network it won't be hard.

<=pan style="background-color: rgba(255, 255, 255, 0);">3. You've told that=you criticize scientific papers. Can you do that on camera? Or bring scient=sts into studio and debate with them? It'll be fun to watch

4. Wom=n's harassment and discrimination at work are one of the hottest topics of t=e year. You can launch anti-harassment foundation. It can provide thes= women with legal support and career advice. If you convince 4-5 public fig=res to join it it'll create good and improve image among women. Also you'd h=ve an access to huge pool of ambitious women-fighters. You can recommend be=t of them to hire to your business partners or even hire for yourself. =

Questions for traditional media PR:

- \* Is there any important financial projects that you worked on and you can talk about publicly?
- \* What certain areas of finance can you tell about?
- \* What do you know about money that other people don't understand?
- \* What were science projects that you supported this/last year?
- \* 5-7 public figures from any areas who can make positive references on you in media and tell about positive experience with you?
- \* Which women do you have a positive professional partnership with?
- \* How open are you to take meetings with reporters?
