Jeffrey:

Attached is "Radical Breakthroughs" - with budget on page 4 a=d further (though still preliminary) development of the 13 episodes on page= 5-11. Much work will be done in the Pre-Prodution phase in discerning the o=timal ideas, flow, stories, participants for each episode - with the twin t=uchstones of insight and appeal.

Your ideas, recommendations, people throughout appreciated - especially peop=e for the mathematics episodes (Episodes 1 and 2 in particular).

I'm in Beijing; return to New York on July 19 through August 13 (oth=r than July 25-26).

I look forward to working together.

Warm regards,

Robert
