Hi,,

I check the pilot store for the Motorola two=ay radios they use at the airport, they do not sell them there only satell=te phones I purchased,,

I found these on Amazon b=t there are several companies that sell these radios all over the place:</=iv>

If you have a minut= maybe called a two way radio company that sells Moterolla , I thought you=needed a base station for these to operate, not just Handheld's
