I think that i should dedicate a member of my staff to you have not met her. [REDACTED] to sit with poonjabby, and when she understands all the products and ideas she will go with him to friends of mine to pitch the benefits. just a few insurance co or the veterans admim could make a huge impact on the well being of peoples lives. This i think is the best way , as opposed to saying can you see deepak and co. they should explain it their ceos and then you can meet with the chairman.
