I think you will be ok with the fabric on the door. We will have to fabricate and install teflon guides and create tolerance on the R/H bulkhead inboard molding.

Best Regards,

Eric

Jeffrey below is the specification(s) for your review of the monitor we would propose to replace the existing.

I will have pricing on Monday for the install if you approve this monitor. I estimate the cost for the monitor, engineering, install and certification to be approximately \$18,000 - \$21,000.

Best Regards,

Eric
