Subject: details for Woody recording

Hi Lisa,

Woody should record it at 48 Hz on a Schoeps, Sennheiser, or similar quality microphone if possible to match our other audio in the episode.

If he could read it twice for safety-- once as written out below with the title and the author-- and once without the author, going straight from "This is just to say/ I have eaten ... "

Once it's recorded, send via WeTransfer or any other media sharing platform to my address at [REDACTED]

Thanks!
Leah
