Good morning Jeffrey,

I hope this email finds you well. New job going well with foc=s on Endowments, HF's and family offices being very receptive. Just la=nched a SPAC and thought the warrant coverage and management team were str=ng. Vol remains low but believe that Middle east tensions will jar this ov=r the coming months. SX5E looks attractive on a relative basis and a lever=ged note with some limited downside protection looks interesting.

Love to catch-up and find out what your doing these =ays and your thoughts on the markets.

Best regard=,

Bruce
