Please call when you're in t=e city. I look forward to seeing you. I am very happy for Erik, he's very s=ncere about developing his work and he and his wife have a very good relati=nship. (BTW, I think I might be becoming a grandmother since I noticed last=night that Naomi didn't drink any champagne at the reception or coffee at d=nnner. ) Thank you forever for helping to pay for Erik's educatio=. I think Columbia's liberal arts curriculum raised his level of thinking a=d the art faculty had a positive influence on his approach to work an= life.

Here's my # [REDACTED] in case you lost it.
