How did Joi react? :)

More generally, I would be curious to learn how you think that other =people perceive you, and how much they can glimpse behind your curtain.

In the last three years, I have developed a lot more self-awareness, not =east thanks to you. (It does not mean that I now perfectly understand =ow others see me, but that I notice that my self model and the =erspective of others, and the more importantly, my model of how others =odel me, have serious discrepancies.)
