Dear [REDACTED],

Many thanks for your last Email. Those=clarifications give us a better vision on the Main Residence project.</>

In the way to move forward on the proj=ct, we'll need the island topographies plan and associated documentation and information.

With those documents we'll be =ble to start to work; on a first preliminary master plan as well as first =reliminary studies for Main Residence.

Just one more question. Regarding the =ain Residence could we suggest to you, other locations on the island, or d= we need absolutely to keep the previous one. For the Main Residence do there's also a=y visuals requirements or recommendation, weather special complementary co=ditions, etc... Who could be architecturally helpful?=p>

On our side we'll prepare a fi=st proposal for this preliminary work mission for the Main Residence, who&=39;ll include:

- =C2 Island Master Plan
- =C2 Main house furnished plan
- =C2 Main House Main Section & Elevations=/u>
- =C2 3D View & Rendering

Thank you for your assistance,<=>

Best regards
