Subject: details for Woody recording

<=div>

Hi Lisa,

Woody should record it at 48 Hz on a Schoeps= Sennheiser, or similar quality microphone if possible to match our other =udio in the episode.

If he could read it twice for safety--=once as written out below with the title and the author-- and once without=the author, going straight from "This is just to say/ I have eaten ..="

Once it's recorded, send via WeTransfer or any other =edia sharing platform to my address at [REDACTED]

Thanks!  
Leah
