How did Joi react? :)

More generally, I would be curious to learn how you think that other people=perceive you, and how much they can glimpse behind your curtain.

In the last three years, I have developed a lot more self-awareness, not le=st thanks to you. (It does not mean that I now perfectly understand how ot=ers see me, but that I notice that my self model and the perspective of ot=ers, and the more importantly, my model of how others model me, have serio=s discrepancies.)
