Hi Lisa,

Woody should recor= it at 48 Hz on a Schoeps, Sennheiser, or similar quality microphon= if possible to match our other audio in the episode.

If he co=ld read it twice for safety-- once as written out below with the title and t=e author-- and once without the author, going straight from "This is just t= say/ I have eaten ... "

<=pan style="font-size:12.8px">Once it's recorded, send via WeTransfer or a=y other media sharing platform to my address at leah.reis-dennis@poetryi=america.org <mailto:leah=reis-dennis@poetryinamerica.org>

Thanks!
Leah
