Subject: Elton John dinner for AIDS. AMAZING!

=div>I arrived London this morning.

Ran to Rena Sindi's 49th Birt=day lunch for 50 girls and she gave everyone a denim jacket with our names=painted on the back. Makes it really had to give away.

Then went to Winsor Park to Elton John's home. Was just=so amazing to see how he lives. Dinner was really interesting...for a fund=raiser...knew some and met some new. Elton introduced me to his two=little blond boys, Zachary and Elias. They sing and take piano le=sons at 5.

I sat next to Mike Ovitz who fo=nded CAA in LA. Remember him? Now he makes billions in the Internet =nd says the most brilliant minds are in San Francisco and they are changin= the world. He was always humorless and very full of hims=lf. I met him. 40 years ago when he represented Barry Levinson on "Diner".=div>

Mike is still married to Jane, who has a h=rse ranch in Oh-high, L.A. and Mike, although technically still married, i= engaged to Tamara Mellon. Mike has no pre-nup and is not giving =ane one painting of his vast collection or one cent of his Internet billio=s.

Tamara invited me to her 5=th Birthday party Friday night at 5 Hertford Street....but have a dinner w=th Princess Fiyral, etc....so I will go for drinks and maybe back after. S=e is having 80 swells.

Back to Elt=n. He sang with Joan Baez...was really fabulous. I can not thank you enoug= for getting me that ticket. (must be tax deductible)... the presentation =bout what Elton, etc. have accomplished was very well done....but the soci= experience of being with Elton in his home was amazing.

I asked him to host a screening for Bi=lie Jean King and her new feature film about her, "Battle of the Sexes", &=nbsp;coming out in Sept. and he might.

Where are you? Will call tomorrow. The three weeks at The Carlyle was fa=tastic I am Eloise of The Carlyle. Bumped into Mick Jagger TWICE in the el=ator as he was coming or going to the gym. He knows my name. Every time h= talks to me, I faint.

The apartme=t is going to be gorgeous.

I made a deal with the Carlyle=to stay from end of July to end of August four nights a week in a smaller =oom than my suite....insurance covers half...since I am in the country Fri=ay, Saturday and Sunday...it is cheaper to stay at the hotel four nights t=an sub-let. Come September/Oct I will figure out. =

If I die after the apartment is fi=ished, Mattie can sell it instantly. I am feeling great, so d= not count on my early demise.

Where are you? I will call tomorrow.

Again, toni=ht was such an interesting experience. Thank you over and over.

xoxo Peggy
