Jeffrey,

Spoke to the mill- should you not like either carpet sample that is being produced for you overseas, we still have time to make the same carpet as is in the GIV (same mill, same color, same everything).

Working with Eileen and Jay on the newly styled divan end arms (like Hermes photo).

Larry wrote me an e-mail last night which included concern about the schedule. I responded to him promptly this morning in an e-mail.

We can't keep adding items and get these items accomplished for the July 31st estimated delivery date. We need to stop of the wheel and prioritize the additional work requested to see how much we may be able to accomplish in the original down time.

For the sake of specifically understanding your new request from yesterday ("i-Pod cover for cup holders"), what do you envision or desire?

Lastly, I will be in your plane in a little while going over details on the end arms and will be further discussing the fwd cabin pocket door to make sure that we can cover both pieces in leather as per our last conversation.

Best Regards,

Eric

Jeffrey,

Below are photos (not the best, but certainly confirmation) the two (2) samples that have been produced for you:

1. 100% Wool
2. Wool and Silk

The samples were sent one day ahead of schedule. We expect to receive these two samples tomorrow and will overnight them to you for Wednesday delivery.

Where should we overnight the samples for your receipt on WEDNESDAY?

Best Regards,

Eric
