Dear Larry,

As per our con=ersation yesterday here's what I can report.

Royal Jet have had no serious activity regarding the sale of the BBJ to d=te.

However the bad news is there isn't a=whole lot of incentive for selling the aircraft immediately.....The end of=Ramadan is coming on June 26th. After Ramadam they have a lot of charter bo=ked on the aircraft right through until the end of July (my guess is 80-10= hours)

As a matter of fact they have even had meetings r=cently to discuss whether or not to keep the aircraft because their charter=business is improving.

The aircraft has an=extensive C-Check do at the end of Julyso the comments came ba=k to me as follows:

IF you still wanted to=buy the aircraft somewhere in the 16's , would you consider re-instating an=Offer whereby an L.O.I. could be negotiated and signed NOW , but acceptance=and pre-buy would take place in Switzerland concurrent with the C-Check. </=pan>

The Sellers have to pay for the C-Check anywayso thi= could be the Buyers pre-buy . Closing at the end of the C-Check (mi= August - Sept 1st)

If these terms could=be agreed upon today.....then Seller might be negotiate to a lower p=ice .

Bottom line isThey are=not desperate to sell and will only negotiate if they can get terms favoura=le to themselves.

I await your instruction= and direction.

Very best regards

Bob P.
