Greetings Sir,

I spoke with Jimmy Fragu=la regarding your request for 2-3 pool contractors you can meet with over =he next 10 days to discuss a 100 foot pool.

Jimmy=builds pools, and is recommending himself for the project. He is ava=lable to meet with you tomorrow, June 21, anytime after 1 pm, or this Satu=day, June 24th, or Sunday, June 25th, at what ever time is convenient for =ou. He is not available next week due to pre-scheduled family obliga=ions.

I asked him about any alternative persons, =nd he recommends Michael Fuller. Michael is the President of Poolwor=s, Inc. His company is based on St. Croix, but Jimmy says he has don= several collaborations with Michael on pool projects, and trusts his work= that the choices Michael makes in terms of the plumbing of the pools, etc= serves to produce a superior product, and he would not recommend anyone e=se for you.

May I set a meeting for you with Jimm= for tomorrow, June 21st, or over the weekend?

Ma= I reach out to Michael Fuller?

Respectfully,

Daphne
