Jeffrey:

A delight, as always - multiple fronts.

Pleased to be your partner: "Radical Breakthroughs =9D can be important; I take the responsibility - creative/content and =usiness/financial - very seriously. I'll get back to you after =he Physics of Fine-Tuning shoot (when in China)

When next we meet (late July), let'= discuss/explore our business sides, perhaps some synergies.

Here's yesterday =n Fox Business. The topic was supposed to be China's economy, =ut got sidetracked into North Korea by release of US hostage.
