This is not true jeffrey I said , I asked when would be the best time for him to meet with me. On Friday. I gave him Monday to respond and was coming back to you to ask what I must do because he didn't reply . I will forward email strong to you and check my spam in case he emailed separately and it went there but I doubt it, but let me check.

David saw my email response, he is not being smart enough like my jeffrey would. =AO

after you have read these emails can you please tell me how to follow up with dan
