Friday night at dinner the woman that I am "working with" had an epileptic attack and apparently she never has it before. It was one of the most traumatic event of my life.. Never saw something like that, she got paralyzed and she had seizures and she couldn't breathe...she was almost death... we went to the hospital with the ambulance now she is fine but was horrible to see that. =C2

How are you? Are you in Florida? xx=/div>
