Thank you for taking the time to think about it...

I will not promise you anything but will let the actions speak by themselves. I would like to make you happy without causing you distress. If you ever decide to give me another chance, I will do my best not to let you down anymore not only for you but also to prove to myself that I can make it. It took time but finally I've understood that no one else is going to do it for me if I don't. After repeated mistakes and falling, I'm learning to see life with a different point of view shaped with discipline, learning, hard work and gratitude in order to achieve my goals and grow to become a better version of myself. I've been giving it a lot of thought and understood what life is really about. Nothing can be achieved without discipline and hardwork. I believe I'm ready to bring out the best of me in order to achieve concrete results by making a positive and meaningful change to my everyday life and apply your guidance with a serious and mature approach. I apologize one more time for my mistakes and misbehavior hoping I can move forward and never let it happen again.

Even if I was told, everything seemed very abstract in my mind. Now that I collapsed I know. Now that I find myself in this situation, that I've started working and earning some, I understand how hard it is and how much work there is behind and wish everyday I knew this before... I don't earn a house and the money I earn doesn't even cover the rent even though I'm working. Jeffrey, I didn't understand the lesson. I beg you, please forgive me. I need your help. I have never said that. You are so used in manipulating people that you constantly have to twist the sentences your way. What I said is that you don't let a child drive alone a car that YOU gave him and let him go faster when he doesn't know how to drive just because he is having fun when you are aware he is going to crash BUT you don't kick him out of the car either. You sit next to him and you teach him how to drive by turning the steering wheel if he goes off track and pulling the brake if you need to ( you can't do that through a phone or by email). A0

What you have done after giving the car to the kid is kicking him out after he drove too fast leaving him alone with no car in the middle of the highway saying "I wish you well" knowing he is going to die hit by another car.

End of the story: the kid is obviously happy and grateful he received a car as a gift because without it he couldn't have driven until where he is now. However he cannot continue the journey stranded on a highway.
