Subject: Hi :)

Dear Jeffrey,

How are you? I hope everything is good and you are enjoying the summer!

Jeffrey, I thought I'd ask you for advice. I really want (and need) to start working from September. My son is starting kindergarten and I will finally have time for something more than teaching a few yoga classes in the neighborhood which gives me barely any income.. Since you know so many people maybe you can keep me in mind if you hear or think of any good position?

My education is in journalism and public relations and I thought I can be a good assistant to an interesting person. Also I was considering to take a Health Coaching course which together with my existent advanced yoga certifications can make me a good Wellness advisor.

Would love to hear from you and also will be very happy to meet if you have time,

Xx Irina
