Thank you.

As we do not know the place, lodges and/or bunk houses may be OK.

What we need is 3 bedrooms and a working area with possibility of 3 =computers working together.

A nearby possibility of restaurants to have meals.

And if there is a hotel nearby that the security detail can book a room =or himself on his account.

Please let us know if the place can answer those requests.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC
