=div style="word-wrap:break-word">Hi Jeffrey,

Th=nk you for the trip It was really helpful to stay on the island once again= in order to precise more the project. Please find attached a visual of th= basket on LSG.

- Bismarckia nobilis=(blue latan palm) will handle much more wind) you should get rid of the co=onut.
- New stone wall will be nicer as all=surrounded walls are well shaped. having those boulders makes it too rough=today.
- Alamanda flower, should get ok. Jus= change the one that has trouble to grow.

R=garding GSJ , I'm putting everything together this week (new idea,=new locations, details etc...) and I shall send you a file at the e=d of the week. I'll be available in three weeks to make the first =oad and some path.
