Our CD has been released on May 12; in June I'm going to Italy where I have 4 concerts presenting the CD. This week and next week we have final exams at the academy so I have been working intensively with my students lately..  
Also, about girls: I asked couple of girls I know as well as my friend [REDACTED] did but they were not interested saying they need to finish their studies.. I guess in Lithuania girls are more conservative, more career focused I guess... anyways, I asked [REDACTED] to think if she knew of someone else as well as I asked another friend to think if she knew of someone. Will keep working on that..  
How are you??
