**Subject:** Commissioner Henry and Amy Dempsey - May 23, 2017

Greetings Sir,

Commissioner Henry is in court this morning. Shyra expects her in the office this afternoon, and will request a call with you. She will let me know the Commissioner's answer and a time if the call is possible today.

Amy Dempsey is in the field conducting surveys today. She says she emailed you last night with updates. She did not think you needed to speak with her, but I told her I would ask you.

<iv>Respectfully,

Daphne
