you might want to consider having kathy negotiate with ♦=A0 cousin. his position was that there was never any rea= media insite into Benj , and bank, ec=nomist, FT etc. . His perceived influence =ith the new govt , real or not. gives him more bluster. = I also think a positive to move ownership more to=you and the girls. as it would be much more diffucult to argue=against. . hope this week is positive. .♦=A0 will you be in paris first two weeks in july.?
