Spoke to Melanie. She said Leon was actually calling you earlier in regards to something else at that moment.. it wasn't in response to us requesting to set a time for a 20 minute call. She says he is on his way to a MOMA meeting right now. If you want to try around 2 PM it's possible he could be available..But she also claims he's really super busy today. She did not set up a "=hone date" with me.
