Jeffrey ! Thank you so much for the wire. I've received it. My current balance is 7188,86 euros + 226,90 euros (cash). I will send you at the end of the week my weekly expenses. I have a question: I make a lot of confusion to separate my credit card expenses and my cash expenses. What is the easiest way to track both ?? I always end up with many coins everywhere...=I write on a note book my daily expenses since for me it's the easiest=way but still don't know how I should manage and organize both cash and credit card.

please note
