Another sto=k which you should watch is Netease (NTES). Second largest mobile gaming
c=mpany in China after a Tencent. I bought some last week around 275. Very f=w people in the US follow the name.
China about to overtake the US as the =orlds largest mobile gaming market. No reason why Chinese internet compani=s
can't rival those in the US given he size of their market.

Will you be able to find a solution? I can go back to the drawing board and look for SEC registration exemptions if that would help.
