In aircraft now with Jay and Eileen reviewing "potential" wo=k scope. We need contract so that we have an identified work scope a=d so that we
Can open a work order.

Lot of details that ne=d to be discussed and finalized.

Reviewing seats at the=moment. Will you be keeping powered lumbar switches in seats arms?</=iv>

What are we doing abou= plating? We need to make a decision now- cant do it during second p=ase.

Your prompt reply is r=quested.

Best regards,

Eric
