Hi Jeffrey,

I was away and I wanted to writ= a proper email to you.

First I wanted to thank you for=all your help from when I met you since now.

It's been a weird year,=trying to understand what to do. I was in Rome on and off and I am working for a PR b=sed in NewYork that promotes fashion brand. I am basically the PA, I Contact people and ask them to make a selection of what they want and then I organize the shipment or I organize trip for h=r or send invitation and reminders for event...nothing special or fun. = am not even paid (she said that if she likes hoe I work she is going to pay me in September but I don't think its going to happen).

In the meanwhile I tried to get=into very prestigious acting school in London but I didn't get in (apparently=it is normal it is very difficult to get in and almost no one get in, for example a frie=d that is acting now in Rome and she is quite well known when she tried in 5 different school in London she didn't get in).

Now that I am doing Excel sheet=all day long I am realising always more that I would like to do something more crea=ive like acting or digital photography.

I have to be honest with you, I=am struggling with what to do next this is why I never know what to tell you. = know you are disappointed and I am sorry we didn't see each other w=ile you were in Paris. I hope you trust you and me believe that I didn't te=I [REDACTED] you were in Paris, why should I have done that? I know you don't wa=t to see her and I understand the situation.

I realized it was a mistake to =tudy business and I should I have done something else from the beginning.=/p>

Anyways I know you did so much =or me and I wanted to thank you with all my heart and let you know I always think about you. I really hope you are well, happy and healthy.
