Dear Jeffery, we can certainly organize that but we will need to talk to another Landscaping Firm.

WATG resigned from the project stating that they "have received information that negatively impacts WATG's association with the Project that has led them to reconsider moving forward as part of the project team".

I don't know what their problem is but they returned their initial deposit this week.

=/div>

We will contact the other proposed companies and check their availability.

Ramon Alonso
