The cows got past Hotwire at the log cabin and badly damaged the tuff in th= front of the cabin
Generally we would fill in holes and reseed, but with up coming Ceremony th=re is no time for
this area to recover.

Therefore I would propose we sod the area. This could be completed by tomor=ow night, giving
it time to settle for Saturdays ceremony .

Cost \$2300.00

This also includes a small area at the entrance to Larrys house where the h=dro seed did not
take

Can we proceed
