Jeffrey

I spoke to Josh.,, he informs he cannot pay a penny of outside commission.,.h=s fees with Occidental Petroleum are not that much, plus his contract with o=cidental prohibits a 2nd party payment. Josh did mention he would run this b= occidental's team if a payment was included in the Purchase agreement, and=all parties are aware. But virtually said, the Buyer would be paying this c=m mish from sale price.

thanks anyhow,
Larry,

Recap of High points on the G650.,

1-Gulfstream just completed a Cabin Management Enhancement that all G650 req=ire, but most have not completed due to down time, this includes changing a=l the seats, Microwaves and Hot ovens.,. Originally this was a big issue wit= the G650 production line with their complex Cabin Management system.

2-No Corporate Care on engines Buy-In is \$1,070,000M 3-No MSP on APU Buy-In is \$75K 4-Needs ADS-B out for avionics, just released by Gulfstream. \$75k 5-just completed 1,200 Hour inspection at Gulfstream.

6- Ask Price \$52,750M

7-Josh says Buyer wants the deal to start with a \$5.,

8-Josh had a deal working with a foreign Buyer, that would not perform., acc=rding to Josh, Occidental would not engage again with this buyer, supposedl= the Buyer came back to the table this morning and wants to engage., Seller=wants this sold, just like Chevron deal, according to Josh.
(No facts to back this up). Just FYI from Josh.

9- total time 1250 hours.
