I am working it and have been in touch with Larry regarding paint schedule, ballast kit / ferry permit, etc.

Will have to you today.

Best regards,

Eric

Eric confirmed he could make the May 24th paint slot, Savannah posted 26 day downtime,

From Eric;

Yes- we can make the paint slot dates. Let me know if this is your direction as we will need to start the engineering and permits on Monday so we are ready for the 19th.

Eric

I requested sample board from Gulsream of 2017 Bentley Blue Sapphire for your approval, if Gulsream can locate paint codes and cross reference to product they spray.

Should I lock in May 24th date and sign the contract for \$275k with Savannah?

Thx

Larry
