Jeffrey what makes life worth living ? I can't find any answer to th=s and I really don't understand. Nothing makes sense to me and I feel =t's all a meaningless thing. We are all living in a big illusion, with=people creating fictional goals, trying to survive as long as they can and=distracting themselves in order to forget about it and have some sort of r=ason to wake up in the morning, everyone with their own values and beliefs=and in the end we're all ending up in the same black hole soon, which =s formed of nothing. From the most successful person to the most miserable=one: everyone on earth ending up in the same nothingness. I don't know=if people are conscious about it in their daily lives, but I think about i= everyday which makes it quite scary, alienating and depressing.
