May 31st is at 12:30pm..I am told he can be =unning late for the mid day appointments due to any complications at an =arlier procedure...For an early appt we need to look at Mon. June =9th at 7:45am or at Wed. June 21st for a 7am appt...I am holding =he May 31st at 12:30pm in case you want to get it over with!

Please advise what is best for you?
