J=ffrey,

This study allow us to work more in detail= With it I can see with your comments how I have to rethink some space◆=80◆

Regarding the height of the theater, please=find attached a cross section. The theater can be higher easily.

Gym can be easily at a different place.

Same for the dimension of the pool...

= let you make all your comments and we can talk about the modificati=ns you would like for this project.

I think we will have to meet to talk about the project more in detail if you are available and at your convenience.

= hope you will like the project.

Best regards,
