Subject: Paint SAV

Jeffrey,
Gulfstream informs 4-to 6 weeks lead time for paint sample on all but 2 colors you requested,, each sample board cost \$600 ea.

The two colors=they can produce in house:

1-Dupont arista blue P1199

Gulfstream SAV=can make in house in a ½ pint – We can provide color board =Midnight Blue P2309 Gulfstream SAV can make in house in a ½ pint - We can provide color board

Rusty requesting our final decision for paint rendering so he can properly request adjusted paint quote.

*****Should I request paint quote for Blue Fuselage and tail,. Leaving wings untouched white?

Thx=
Larry

Larry,
See below Larry per our phone conversation this am and advise how you would like us to proceed. Additionally, please provide specifics on requested paint scheme so we can start on a rendering and also understand not only the color(s), but the quantity of paint required. Next available paint slots in SAV are as follows:=br>
