w=lcome back .

I spoke to Wechsler. , i explained to him why , ◆=A0 joslin ada and tom need to be pragmatic , but i cant force them.  
. He said h= agreed and understood. - you are scheduled to pay a total of 150m -180 m in taxes. for 16-18

That being said.=C2◆ he felt it necessary to remind me that i am expensive :=  
in that regard- in order to move forward ,if you choose to do so.◆=A0 please detail for me what you would like me to  
do from here - if anything. - We should first agree a detailed=C2◆ understanding of your expectations and my ,  
authority, goals. and a =lear agreement . There are of course many options ie sharing benefits.=, percentages. fixed  
amounts. hold backs. etc. re planning = TRA BRH fire drill, 2017 planing , hopefully ,not xxxx .

BTW I still dont know the entity that was audi=ed that spurred the 2012 adjustment- do you? is another year c=ming.
