After further review of Gulsream AirShow 4000 upgrade.,

Chevron already installed Rev II AirShow upgrade.,

The \$28k quote from Gulsream was for Additional hardware to link AirShow d=ta with IPad or iPhone.,

I spoke with Jeff Shaw,,

At ProStar avionics, he feels your cabin management system is a stable platform which Rockwell Collins still supports., due to late serial number of t=e 550.

He doesn't think Rockwell Collins venue touchpad cabin management syste= is necessary.,

I appreciate his honesty.

Thlx
