Subject: Updated presentation on BOEING BBJ-1 S/N 37111 production number =G-0120 .

Dear Larry,

Great to hear from you . Hope you are doing well also.

As per our last conversation please find a complete specification and=floorplan our late Serial number BBJ S/N 37111 .

In my humble opinion BBJ S/N 37111 (YG-0120) is the best Boeing =BJ ever built. YG-120 is the production number of the aircraft so as you know ,it is one of the =east 30 Boeing BBJ's ever built.

We have in our possession all the original build documents and every =iece of information imaginable. For sure this one is absolutely one =f the nicest BBJ's we have ever handled . Some of the highlights to this excepti=nal aircraft are as follows :

<=pan>2. =C2 Recent 72 month inspection =nd avionics upgrade (Wifi installation)
<=pan>4. =C2 7 Long Range Fuel tanks =80can carry 18 passengers a full =2.5 hours.
<=pan>6. =C2 No Damage history.
7. =A0 Aircraft currently base= in central Europe/ Dubai . Currently in Basel Switzerland at AM=C AEROSPACE for 3 weeks having maintenance completed.

The aircraft is aggressively priced for an immediate sale.

<=pan style="text-decoration:none">

Larry, as the owners are basically getting fed up with the process of selling the aircraft.....The time has come whereby they want the aircraft sold ASAP. I believe today the aircraft will be sold at a very attractive price. We just need a real Buyer with a real Offer.

Love to work with you to get YG-0120 sold.

Best regards

Bob P.
