I'm available this afternoon to discuss strategy. We can wait until Thursday, but if we can agree on strategy sooner, I think it would be better to touch base with agent earlier in week.

The initial call with the auditor should be about letting her know we're putting together the response and that we will meet her deadline (May 7 is deadline but we can finish it this week.).

I would also propose that we ask her some background info, if not volunteered on her part.

Her notice plainly says that BRH Holdings LP is under review. I believe it's being examined internally.

Her offer of background info will most likely be limited as to BRH, since I am not the tax preparer nor would I have POA from BRH to discuss.
