Subject: Bechet's Habitat for Humanity Trip

Hi,

Bechet's trip will start in Nairobi, Kenya (that's where they will fly into.) She will then go to Homa Bay, Kenya, the town they will be building in. A description from Google: Homa Bay is a bay and town on the south shore of Winam Gulf of Lake Victoria, in eastern Kenya. The mayor of Homa Bay city is Veronica Achieng'ohana.

Itinerary

- * Day 1, Welcome: Fly into Nairobi, Kenya, where Habitat for Humanity staff will pick you up at the airport. Meet your team over dinner.
- * Day 2, Orientation: Habitat staff will introduce you to their sophisticated work across Kenya, which includes microloans and health programs in addition to building. Travel to your host community near Homa Bay.
- * Days 3-6, Build: Build new houses or housing repairs. One day will include a cultural activity, such as a tour, cooking lesson or visit to a natural site. At night, reflect with your team and enjoy free time.
- * Day 7, Celebrate: Build, then wrap up construction at a farewell celebration with your partner family and neighbors.
- * Day 8, Reflect: Drive back to Nairobi. At the final team dinner, reflect on your experience and what it means.
- * Day 9, Goodbyes: Depart for home or independently continue your travel in Africa.
